*REPORT AND FINANCIAL STATEMENTS  
SEPTEMBER 30, 2025*

## ***INDEPENDENT AUDITOR'S REPORT***

**To the Board of Directors of Lupus Ontario**

### **Qualified Opinion**

We have audited the financial statements of Lupus Ontario, which comprise the statement of financial position as at September 30, 2025, and the statements of operations and unrestricted fund balance, internally restricted fund balance, emergency medication assistance fund balance and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of Lupus Ontario as at September 30, 2025, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### **Basis for Qualified Opinion**

In common with many not-for-profit organizations, Lupus Ontario derives revenues from donations and other activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of Lupus Ontario and we were not able to determine whether any adjustments might be necessary to fees and other revenues, assets and net assets.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Lupus Ontario in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing Lupus Ontario's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate Lupus Ontario or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing Lupus Ontario's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lupus Ontario's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Lupus Ontario's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Lupus Ontario to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

<b>Cash, end of the year</b>	<b>\$ 63,475</b>	<b>\$ 46,163</b>

***Organization and purpose***

Lupus Ontario was incorporated without share capital by letters patent under the Ontario Corporations Act.

Lupus Ontario raises money to provide support, education, public awareness, advocacy and to fund research. Lupus Ontario offers both support and education to those suffering from lupus and their families and friends. Research contributions are used to fund various accredited Ontario lupus clinics, the Honey Agar Fellowship for High-Risk Pregnancy in the Rheumatic Diseases and the Geoff Carr Lupus Research Fellowship which enables a rheumatology resident to extend their study for a year at an accredited Ontario lupus clinic and to perform lupus research. Money is raised by donations, memorials, bequests and special events.

Lupus Ontario is a registered charitable organization within the meaning of the Income Tax Act (Canada) and is exempt from income taxes.

**1. *Summary of significant accounting policies***

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

**Revenue recognition**

Lupus Ontario follows the deferral method in accounting for revenue, where all contributions and event revenue are recorded when received. Restricted contributions are recorded as revenue in the period in which the related expenses are incurred. Interest and investment income is recorded on the accrual basis, as earned. Endowment contributions are recognized as direct increases in net assets in the year.

**Short-term investments**

Short-term investments in equity instruments that are quoted in an active market are measured at fair value. Changes in fair value are recognized in net income or deferred contributions as applicable, in the period incurred. Transaction costs that are directly attributable to the acquisition of these investments are recognized in net income in the period incurred.

**NOTES TO FINANCIAL STATEMENTS**

*September 30, 2025*

**1. Summary of significant accounting policies (continued)**

**Endowment/restricted funds**

Certain major donations or bequests received are restricted as per the donor's request or the organization's Board of Directors. Donor restricted amounts are allocated to deferred contributions. Investment income earned on donor restricted funds is added to amounts held in deferred contributions. Amounts internally restricted for specific purposes by the Board of Directors are segregated and presented separately from Lupus Ontario's unrestricted fund balance. These funds are maintained separately and invested in fixed income and equity type financial instruments as set out in the Investment Policy guidelines approved by the Board of Directors. The investment income generated on the internally restricted capital may be used to support activities of the organization as approved by the Board of Directors.

**Government assistance**

Government grants and subsidies, which include the forgivable portion of government loans, are recognized in earnings in the period in which there is reasonable assurance that Lupus Ontario has complied with the conditions attaching to such government grants and subsidies.

**Use of estimates**

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Such estimates include allowances for doubtful accounts. Actual results could differ from those estimates. On an ongoing basis, management reviews its estimates, and, as adjustments become necessary, they are reported in earnings in the period in which they become known.

**Donated services/services in kind**

The fair value of donated services and services in kind, where determinable, are not reflected in these statements.

**NOTES TO FINANCIAL STATEMENTS**

September 30, 2025

**1. Summary of significant accounting policies (continued)**

**Financial instruments**

Lupus Ontario initially measures its financial assets and liabilities at fair value. Lupus Ontario subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in net income or deferred contributions as applicable.

**2. Financial instruments**

The significant financial risks to which Lupus Ontario is exposed are as follows:

**Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Lupus Ontario's investments in publicly traded securities expose Lupus Ontario to market risk as such investments are subject to price changes in the open market. Lupus Ontario does not use derivative financial instruments to alter the effects of this risk.

**Liquidity risk**

Liquidity risk is the risk that Lupus Ontario will encounter difficulty in meeting obligations associated with financial liabilities. Lupus Ontario is exposed to liquidity risk arising primarily from its accounts payable and accrued liabilities. Lupus Ontario expects to meet its obligations as they come due by generating sufficient cash flow from operations.

**Credit risk**

Credit risk arises from the potential that a counter party will fail to perform its obligations. Lupus Ontario is exposed to credit risk from pledges. Lupus Ontario monitors the credit risk and credit rating of individuals and entities that have made pledges to Lupus Ontario and maintains an allowance where collectibility is doubtful.

## LUPUS ONTARIO

### NOTES TO FINANCIAL STATEMENTS

September 30, 2025

#### 3. *Deferred contributions*

Deferred contributions represent monies designated for the Melissa Salsburg Fund, the Order Eastern Star, the Janet Calderone trust, the Gotkin Family fund to be used for operations, the Mary Frances Perpick fund to be used in Sudbury, website redesign, Honey Agar Fellowship, the Mississauga Legion fund to be used in Mississauga, the Daughter of Isabella, Advocacy Day, and Ottawa Door to Door. Research contributions represent monies received and restricted for research projects and had a \$nil balance at year end.

	September 30, 2024	Receipts	Revenue Recognized	Change in Market Value of Investments	September 30, 2025
Melissa Salsburg Fund	\$ 1,280	\$ 600	\$ -	\$ -	\$ 1,880
